Beneficial Ownership Legitimate Interest Access

In the Beneficial Ownership Transparency (Legitimate Interest Access) Regulations, 2024 members of the public meeting the criteria at regulation 3 are able to apply for access to beneficial ownership information on the basis that the member of the public:

- (a) Is a person engaged in **journalism** or *bona fide academic research*
or
- (b) Is acting on behalf of a **civil society organisation** whose purpose includes the prevention or combating of money laundering, its predicate offences or terrorism financing
or
- (c) Is seeking information in the **context of a potential or actual business relationship or transaction with the legal person** about whom the information is sought,

AND has a legitimate interest in the information being sought, as the information is being sought for the purpose of preventing, detecting, investigating, combating or prosecuting money laundering or its predicate offences or terrorist financing.

Please note before applying:

1. Searches on the Beneficial Ownership Register can only be conducted on the name of a Legal Person. No applications for searches will be permitted on the basis of an individual's name.
2. Where multiple legal persons are alleged to be involved together in money laundering, any of its predicate offences or terrorist financing they can be considered connected legal persons, and one application should be filed.
3. Where the legal persons are not connected, a Beneficial Ownership Legitimate Interest Access Application would need to be completed for each legal person.
4. Completed application/s should be uploaded with all the necessary documents to support your request, including evidence to support the category of the public you fall into. Delays in the submission of supporting documents may delay the outcome of your application.

Where an applicant meets any of the criteria in regulation 3, and subject to notes 1-4 above, the following are the steps to apply for Legitimate Interest Access.
